

# Baton New Brunswick annual report

Baton New Brunswick

Annual Report  
2014-2015

CBTF Board members,

BNB had a good year with a mild decrease in our membership. There is 4 baton clubs in our province. We would like to recruit other clubs but this remains a difficult task. Increasing the visibility of the sport is still our goal. Continuing toward reorganizing a canadian championship in 2 years is one way to promote the sport.

Organizing local and provincial championships is still a big part of our tasks/budget. Club Baton Atlantik has host two open competition in December and March and a pre-event competition. Our Neguac Club, Les Étoiles, organized our May open and Provincials.

Every August, we continue to have our annual summer camp in Moncton. We wish to acknowledge Brenda Arsenault-LeBlanc in accepting to organize this event. Attendance was not as good as usual and we will be revisiting the formula at our fall meeting.

With coaches clinics, we have increase our numbers of amateur coaches in the province in the last few years. An L1 coaches course was given this year. We are building our older athletes into becoming coaches for the lower level athlete in hope of perpetuating the sport.

BNB sent it's largest number of athletes to the IC qualifier in Winnipeg and also to the IC 2015 in Abbotsford. Congratulations to all NB athletes who competed at the National Championships in Oshawa.

With the continuing growth of our sport, our organization and our team, we are looking forward to our next season with the hope that the sport will continue to grow in NB.

Sincerely,  
Nadine LeBelle-Déjario  
BNB president
