2014/15 CBTF SECRETARY'S ANNUAL REPORT

This year I filled a one year vacancy for the position of CBTF Secretary, and have enjoyed working with, and getting to know more of our executive and board members.

A big thank you to Jeff Johnson for his guidance and patience teaching me how to navigate the CBTF website, create eVotes, and also for fielding a multitude of questions. Thank you also to Joanne Moser and Elan Paluck for their continued support.

On behalf of our membership, I had sent cards of condolences to Kim Jollimore, Lucinda McMaster, the Crum family and a get well to Denise DeWolf.

I had generated eVotes and sanctions when needed, as well as collected and processed the CBTF Graded Medal orders – including accommodating the provinces and associations that placed late and subsequent medal orders in the spring. I would highly recommend that the medal design only change every other year to enable existing inventory to be used up.

Aside from the duties of Secretary, I had the opportunity to work on and with the ICup organizing committee being the program coordinator. We have such dedicated volunteers - our organization, athletes and parents are truly fortunate.

I also enjoyed assisting Jeff & Michelle in tabulation at Nationals in Oshawa this summer and was also a member of the (now famous) CBTF "SWAT" Team at the International Cup in Abbotsford.

I have learned a lot, had fun and made some memories this past season and look forward to this year.

Respectfully submitted,

Cindy Dietrich

CBTF Secretary
