

Report to the Board of Directors  
September, 2015  
Calgary, Alberta  
Submitted by: Beth Jamieson  
CBTF 2<sup>nd</sup> Vice President

I'm pleased to submit my report to the CBTF Board of Directors at this fall meeting in Calgary, Alberta.

I wish to express my thanks to Sandi Watt for all her work and dedication with the insurance portion of this portfolio.

The membership process for the 2014 – 2015 season was a very smooth process. I continued to have issues with the waiver forms but believe there will always be some individuals that challenge the requirement and the process. The membership packages are in the process of being sent out to each provincial registrar.

Again, I remind all individuals that the membership form is a 2 page form and both pages are required for all members.

The membership totals are as follows. I have included the previous year's totals for comparison purposes.
