
WC 2012 Athlete Information Sheet

Steve Kopas, Contingent Manager, needs to collect some personal and health information from all athletes so he can better serve the needs of the Contingent members.

This form also contains a release allowing team management to seek medical treatment for you/your child in the event of an emergency. It also contains a release that allows Steve, who is a Certified Athletic Therapist, to assess, treat, and tape/support the athlete if an injury was to occur.

The official Athlete Information Sheet is attached. It must be completed and returned to Steve Kopas, Contingent Manager, at the Contingent Meeting on May 21.
