

CBTF Accident Injury Report

The Accident and Injury-related insurance forms have been updated, as of January/2010. Please destroy any old forms you may have and use the current forms. The attached forms should be used to record any accidents or injuries that might occur at any CBTF-sanctioned event. These forms have been approved for use by our insurance broker.

They should be used at every event...competition, clinic, workshop, performance, parade, lessons...

Club Directors and Coaches should have some on hand whenever they are coaching. These will just permit us to document any situations that might need to be addressed at a later date and thus we would have all the details readily available. If you note any problems or concerns with the form, please report them using the website's [Contact Us](#) [1] page so the form can be improved if necessary.

One form is attached:

1. CBTF Accident/Injury Report. This form must be completed for all accidents and/or injuries.

Revised Dental Claim forms will be posted shortly.
