Board Contact Lists

Group contact lists for the National and Provincial Boards and various CBTF Committees. We encourage you to use these group email lists to avoid missing someone.

We also maintain private contact lists [1] for various groups, which are accessible by Board of Directors and Technical Committee members only. If you have access, please treat these lists with respect - they are meant to facilitate communication between Boards in each province; they are not meant for broad distribution.

Committees

- executive@cbtf [dot] ca... the CBTF Executive Committee
- board@cbtf [dot] ca... the complete CBTF Board of Directors
- technical-committee@cbtf [dot] ca... the complete CBTF Technical Committee
