
Video: Revised Short Program Element 6 (Contact Material)

NOTE: **September 13 changes** have been approved and are included in the attached written description. The changes bring the written description into alignment with the demonstration video.

September 20: one additional correction has been included.

February 21: The demonstration video has been updated, and the Body Work coaching videos have been removed. Tags: [Clinicians](#) [1] [Multimedia](#) [2]
