

Competitive and Pre-Competitive Opportunities and Phases

December 13, 2020 - As part of its response to the COVID-19 Pandemic Response, the CBTF Technical and Education Committees have prepared charts to describe the various combinations of Competitive and Pre-Competitive opportunities for the 2020-21 season.

Provincial health guidelines and provincial Return to Sport phases/restrictions must always be followed. These opportunities exist within those protocols. For example, Pair/Duet or group events cannot be offered if that type of activity is not allowed based on your province's Return to Sport phase.
