Update January 15th - Enrollment is open for Module 2 of WBTF's new Technical Foundation Certification Program

WBTF TECHNICAL FOUNDATION CERTIFICATION PROGRAM

MODULE 2 of the Technical Foundation Certification course is now available on Moodle. Enrollment is available directly on Moodle at: https://education.wbtf.org [1]. Participants must complete Module 1 coursework prior to March 3, 2023, in order to be eligible to continue working toward certification during Module 2. A sit-in option for learning purposes only is also available during Module 2.
