2019 What's New Webinar

Event Category: [Meeting](#) [1]
Event Date: Oct 21 2018 - 12:00am

The CBTF Technical Committee is hosting an important recap of the new and exciting changes that are in store for the 2018-2019 competition season. This is a great opportunity to ensure that you are equipped with the most up to date and accurate information. You cannot afford to miss this event!

As in the past, CBTF-Certified Judges must attend the What's New Webinar in order to be eligible to act as a Head Judge at any CBTF-sanctioned competition. They can either sign up when we hold the open enrolment, or they may download the recorded webinar from the CBTF Store once it is posted there.

The meeting will be held via GoToMeeting on Sunday October 21 (7:00 - 8:30 pm Central Time). To participate you will require a computer/laptop with a microphone and speakers, as well as internet access.

Due to limited capacity on *GoToMeeting*, two "sites" are reserved for each province. If we have space available after that allocation, the remaining spots will be opened up to our general membership on a first come-first serve basis.

There is no fee to participate in the *What's New Webinar*, but you must pre-register! Make it into a social evening, and invite your colleagues over to watch from one computer!

- Each site **must confirm** its attendance by email to Dana Peteleski, CBTF Technical Chair (technicalchair@cbtf [dot] ca) **no later than October 14**
- First-come, first-serve registrations will be accepted by email to Dana Peteleski (technicalchair@cbtf [dot] ca)
