## International Cup Late Declaration Process

Canada is allowed to send up to 10 athletes in all Events/Divisions/Levels - spots in some Events/Divisions/Levels are still available. These remaining vacancies can be filled by athletes following the Late Declaration Process, strictly on a first-come first-served basis. Once all spots in an Event/Division/Level have been filled, no further declarations for that Event/Division/Level will be accepted.

In order to be eligible for consideration under the Late Declaration Process, an athlete must:

1. Complete the [2009 International Cup Declaration Form](#) [1] - for [Individual](#) [2], [Pairs](#) [3] or [Team](#) [4] competition.
2. Include the \$100 non-refundable deposit with your Declaration. This is a deposit against Contingent Expenses that will be incurred.
3. Also include a \$50 Late Declaration Fee with your Declaration.
4. Submit the Declaration Form, the non-refundable deposit, and the Late Declaration Fee to Michelle Bretherick, CBTF Treasurer, using the mailing address found on the Declaration Forms.

Declarations must be complete in order to be considered. Please ensure the forms have been completed, and the deposit and Late Declaration Fee are included in your submission.

Please refer to the "[International Cup Declaration News](#) [5]" article elsewhere on the site more information about the status of Canada's Contingent to Australia.
