COMPETITION EVENTS AND GRADING

*****NEW CBTF COMPETITIVE LEVELS*****

Effective January 1, 2019 the CBTF Competitive Program will consist of 5 levels - C, BN, BI, BA, and A.

This Five Levels Proposal was adopted at the 2018 CBTF Fall Conference and was also discussed at the 2019 What's New Webinar (available as a free download from the CBTF Store).

The advancement scores (Net Score, after penalty deductions) for each level are:

Level C to BN: 2.50
Level BN to BI: 3.50
Level BI to BA: 5.00
Level BA to A: 7.00

Athletes and coaches are reminded that they will enter in these new levels, based on their highest score received to date for each event.

CBTF GRADING SYSTEM

To follow the CBTF Long Term Athlete Development Model, the evaluation method used for Level C Primary and Juvenile age groups will change from scoring to rating system. Events effected are Solo, 2 baton, 3 baton, medley, solo dance twirl, and duet. The methodology used by the judge will remain exactly the same. The score determined by the judge will transition in tabulation to a rating of Bronze, Silver, Gold, or Diamond. See the chart below to reference the score/rating guide. Although also a grading system, the Level C & BN medals awarded in these events are different than the Pre-events. Similar to Pre-events there may be multiple athletes in each rating level. Every competing athlete will earn a medal for their performance.

Level C scores would translate the following ratings:

0.0 -1 .59 - Bronze
1.6 -2 .19 - Silver
2.2 - 2.49 - Gold
2.5+ - Diamond

Level BN scores would translate to the following ratings:

2.5 - 3.09 - Bronze
3.1 - 3.69 - Silver
3.7 - 3.99 - Gold
4.0+ - Diamond

*****There is no drop penalty for individual or duet graded events*****
