

Baton Camp Muskoka

5Th Annual Summer Baton Adventure

July 21- July 27 2019

We are very excited to once again offer our Baton Training Camp in beautiful Orillia, Ontario, Canada. We will be on the shores of Lake Couchiching once again, at the existing YMCA Camp – Geneva Park, which offers 150 acres of beautiful landscape that simply takes your breath away. It's a week that embraces all that overnight camp offers, along with exceptional baton twirling training. We can't wait to welcome baton twirlers from across North America to this unique learning experience. The day will offer classes supporting all organizations, taught by some of the creative best! Between classes students will be able to choose from a variety of things to do. Whether it's acro, canoeing, dancing, yoga by the lake or practicing the variety show for the final night, all fun activities will create wonderful memories. Training with our very accomplished staff will be motivating for all twirlers. Our goal will be to make sure everyone goes home accomplishing what they came to do. Living the wonderful Muskoka experience.... it's certain to be a week to remember!

While children are at camp, parents can enjoy the peace of mind knowing that their children are being cared for in a creative and supporting environment. Our staff provides superior coaching and at the same time are wonderful role models for our baton twirlers. Baton Camp Muskoka will enrich each camper's life. The week will broaden their baton family, and provide wonderful memories to be associated with the sport they love. To ensure parents' and students' comfort, Camp Muskoka utilizes the YMCA camp instructors, along with our Recreational Coordinator, and coaches, for ongoing supervision. Students will be well cared for by eating in a spotless dining room with choices for all eating preferences. There is a tuck shop on the premises for a "snack" so there is no need to bring a week's worth of food in your bag! There are beverage stations throughout camp that are included in your fee, to ensure that all students are well hydrated throughout the day!

Training will be exceptional for all levels. Registration forms request information about the campers' favorite competitive routines, and their strengths and weaknesses, so that classes can be organized to meet our campers' goals. Specialized Training will be offered throughout the week through private lessons. Baton Camp Muskoka guarantees to **STRETCH EVERYONE'S POTENTIAL!**
