Please note that all times are approximate. If the competition is moving ahead of schedule, we will not hold.

Coaches and athletes should listen for the announcement of the next discipline start time after the last set of the previous discipline. For example, after the last set of the 2-Baton Preliminary Round, we will announce the start time of the first set of the 3-Baton Preliminary Round.

Two music run-throughs will be conducted 6 minutes before each discipline's scheduled start time. The first run-through will be for the first five sets, and the second run-through will be for the next five sets.

Open floor time will be made available as time permits.

Paid Practice:

At the 2024 Pan Pacific Cup, two blocks of paid open gym practice time have been scheduled. Access is restricted to those athletes that have pre-registered and paid for this practice time, and their coaches.

Access to the gym during the paid open gym time is by wristband only. Wristbands will be included in the Country Package available from the Registration Desk.

The Shuttle Bus will be operating on Thursday to provide transportation to/from Seven Chiefs Sportsplex for the paid open gym practice time and the athlete party. Bus passes and schedules will also be included in the Country Package, for those that purchased a Shuttle Bus pass. Please consult the Shuttle Bus schedule for details.

Based on athletes that have registered and paid for the paid open gym time through the WBTF Entry Form, the countries have been divided up into two time blocks that have approximately the same number of participating athletes:

```
10:30 am – 1:30 pm = Practice Block #1 (Japan, USA)
1:30 pm – 4:30 pm = Practice Block #2 (Canada)
```

The competition sound system *may* be available for use during the paid practice time. Personal sound systems may be used, but only to the extent they don't interfere with other participants. As this is open gym time, all participants are expected to share the space fairly and equitably. If that is not the case, please direct your concerns to the Competition Director on-site. Any decision from Competition Staff will be final.

Outdoor shoes are NOT allowed in the competition gym at any time. Athletes should wear indoor shoes only.
