

Canadian Baton Twirling Federation  
2016 Annual General Meeting

**2015/16 CBTF Secretary's Annual Report**

I've now completed and enjoyed the first of a 2 year term in the position of Secretary.

I had produced the minutes and supporting documents from the 2015 FBM hosted in Calgary.

Board eVotes remain somewhat of a challenge. We typically allow 7 days for members to cast a vote for motions made. This year almost every single eVote deadline needed to be extended and reposted because we did not meet quorum the first time around. This can be frustrating as eVotes are usually linked to actions required by other volunteers.

Aside from assisting members with minor tasks throughout the year, my position was fairly uneventful.

Outside the position of Secretary, I enjoyed working with LeeAnn Wilson and the organizing committee and producing the souvenir program for the 2016 Team Trials in Whitby.

I was also reunited with our "SWAT Team" in tabulation for both the 2016 Team Trials and also 2016 Canadian Championships hosted in Edmonton.

Respectfully submitted,

*Cindy Dietrich*

CBTF Secretary
