

Canadian Baton Twirling Federation  
2019 Fall Conference

Secretary Report

The 2018/19 season was my second full term as Secretary and I have accepted a nomination for a third term as Secretary.

This past season I had looked after the arrangements to host the 2018 Fall Clinic in Regina and distributed the minutes and supporting documents in a timely manor.

I had participated in the What's New webinar and assisted with creating the 2019 Canadian Championship souvenir program.

It was fairly quiet this year with respect to eVotes and medical buys, and had sent sympathy cards to Tonya Lee, the Taylor family and Cory Archer on behalf of our Board.

A couple of items that remain challenging:

1- Keeping the CBTF contacts current. Provinces need to be diligent and send your updated board position contact lists to me immediately following your AGMs.

2- The collection of board reports for this year's conference was also slow going. Although I do realize that those who attend the international competitions are usually away and can't meet the submission deadline; perhaps going forward, reports can be forwarded prior to August.

Aside from the duties of Secretary, I was appointed the lead tabulator for both the 2019 ICQ in Winnipeg and 2019 Canadian Championships in Regina. For both competitions I had a great team to work with and look forward to the 2020 Pan Pacific Cup in Red Deer in January.

Respectfully Submitted,

*Cindy Dietrich*
